GIA 50TH ANNIVERSARY GOLDEN JUBILEE GALA DINNER

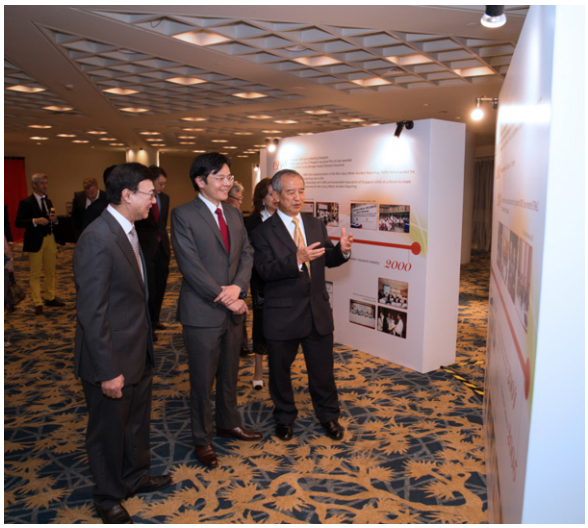

It was a night of celebration and festivities at GIA's 50th Anniversary Golden Jubilee Gala Dinner held on 26 October 2016 at the Stamford Ballroom, Raffles City Convention Centre.

The event was graced by guest of honour, Minister Lawrence Wong, Minister for National Development and Second Minister for Finance, and attended by close to 500 esteemed guests, industry stakeholders, partners as well as representatives from the ASEAN Insurance Council, Persatuan Insuran Am Malaysia and the Brunei Insurance and Takaful Association.

Also in attendance to celebrate the special occasion were some of GIA's pioneer leaders, the association's past presidents who helped lead and develop the general insurance industry since GIA's inception in 1966.

In commemoration of the joyous event and GIA's 50th year of inception, a special showcase titled "GIA – 50 Years and Beyond" was held at the ballroom foyer. An exhibition wall featuring some of the association's key milestones and activities took guests down memory lane, sharing the association's memories and achievements over the years.

Guests were treated to an array of exciting performances, including song performances by GIA's very own Talent Time 2016 winners. The joyous night ended on a jubilant note with a special performance of the song "Tomorrow Will Be Better", put together by the GIA secretariat.

GIA would like to take this opportunity to thank all guests for taking time out to join in the celebrations as the association commemorates its 50th anniversary.

The sharing session was led by GIA Chief Executive, Mr Derek Teo, and was also attended by members of the GIA Motor Committee. During the session, GIA Chief Operating Officer, Mr Ho Kai Weng, and GIA Technical Director, Mr Jimmy Tan, provided an overview of the Motor Claims Framework (MCF), a set of procedures for the reporting of motor accidents.
